#SHAHRAZAD FESTIVAL

UNITED AGAINST SEXUAL HARASSMENT

JOIN US!

1st SHAHRAZAD FESTIVAL

The Shahrazad Campaign aims to mobilize Kurdistan's civil society against sexual harassment.

To that end, the Iraq Civil Society Solidarity Initiative (ICSSI) and Al-Mesalla Organization for Human Resource Development will host the 1st Shahrazad Festival, a public event to raise awareness about sexual harassment.

We aim to create a space where international and local actors, including civil society, can engage with each other, creating links and, moreover, share their experiences and proposals to tackle this phenomenon.

Given your commitment to this issue, we hope that you will be able to join forces with us in this event.
